NOTE:

For orders of 1000 or more deduct \$10.00 per thousand from the list price.

Prices listed include packing either in pots or knocked out of pots, F. O. B. Pasadena.

As you will see by this list we grow practically no plants in 2 inch pots. We are discontinuing the use of 2 inch pots as we think they are not large enough to grow a plant to the proper size for lining out.

We have a clean rating and can ship anywhere.

Free delivery by truck to any point within 30 miles of Pasadena. When an inspection fee is charged by inspectors of other states at destination of interstate shipment the expense must be borne by the buyer.
